District orders for high schools and middle schools use the high school prices for all schools. Middle schools will be billed as “additional schools” in the order.

### Elementary Schools

Analyses are available for elementary schools. Contact us to discuss your needs and pricing.

### Order Fulfillment

Orders are generally fulfilled within two weeks of receiving the data. During August and September, orders placed by July 20 can expect a two-week turn around once we receive the data. Orders received in August or September might take a week or two longer. Call for availability if you are under a strict deadline.
